Pastoral Minister Report:

Nothing

Fr. Burkle Report:

Three weeks ago Father had a sleep apnea test done overnight at the hospital. After a night of the test which included having a CPAP put on the test came back that he is a candidate for having a sleep disorder and will be getting a CPAP. He did notice that it did help and he had a lot more energy the next day.

Old Business:

Nothing

New Business:

There was a mention of a Cemetery issue but the Parish Council is not receptive to this issue and should be taken care of by contacting John Dempsey or Father to be discussed under the Cemetery Committee.

It will be time to start looking for electives for Parish Council for the two people going out this year which are Marge Markham and Keith Mayer.

There was a mention about the men's bathroom waste baskets being full and not emptied and if this is the janitor's responsibility. Father said it is and that he will talk with the janitor to remind him to check all waste baskets.

Next meeting is May 22, 2018 at 7:00pm.

Marge Markham moved to adjourn at 8:14p.m.
