Vigil services in the church - Tom Bucheit In Tom's absence Father talked on this a bit. The question from Father is should we charge a fee to the family if the visitation is in the Parish Hall. This was discussed and will be talked about later when we get figures from Tom Bucheit. Most thought some sort of fee should be charged. Also Father brought up that the body should go back to the funeral home that night and not be kept at the Church/Parish Center.

Capital Campaign Update

We have received about 1.25 million so far.

The temperature in the Parish Hall is having some problems and in talking to FM Controls a wire to our building to their unit wasn't connecting. Tyler from FM was notified. Father needs to go over and set it manually until things get fixed at which time it can be done on a computer. People will be trained on this procedure.

The air conditioner is not working yet and hopefully will get hooked up soon.

Building Committee and Finances: Last time Father checked some ductwork, insulation, and sprinklers were being done. Soon they should be laying up the brick and finishing the roof shingles on the outside of the church.

Finance Report: Some figures Father put out there and he will also send everyone a report.
1st quarter was down \$9,000.00 at that time last year, 2nd quarter was down about \$21,500.00 at that time last year, and 3rd quarter was down \$23,000.00 at

that time last year.

Pastoral Minister Report: Annette had nothing to report.

Fr. Burkle Report: Mentioned about the Summer Youth Program - Totus Tuus, which is June 10-15, 2018. There will be mass everyday at 11:15.

Old Business: Nothing

New Business: There was discussion on fees for other events that could be held in the Parish Center after we are in the newly finished church. Such as wedding receptions and etc. This business will be continued at a later date.
