Finance Report:

Ron Pitzen gave an update on the church roof project. There is an \$11.67 balance left on the roof, with about \$21,000.00 in pledges to be collected.

Visitation had a good Easter collection. The budget is looking good.

Ron had a bid from Stacyville Lumber for \$4950.00 for the materials to re shingle the roof on the Faith Formation Center. Ron will talk to local contractors to see if they will spearhead the project. Work to be done sometime this summer.

Old Business:

Matt explained that he was approached by a parishioner about the possibility of having our young catechists help with projects around the community. Father explained that in the past it was an insurance issue that kept them from doing local projects. That is not the case anymore. Father said he would address the issue.

New Business:

Discussion on upcoming parish council election. A list of possible nominees was handed out and names were divided up among council members to contact. Time line for election was discussed.

Ron Pitzen moved to adjourn, seconded by Matt Thome.
